The 4th graders made models of the solar system and planted seeds and grew plants. They performed plays in reading and language and in art designed dream houses and made a Thanksgiving mural. They held a mock election in November and elected the President and Vice-President. In Health a fun activity was having breakfast for the basic 4 food groups. They also dissected various organs. There were daily workshops in which children engage in various activities and learning centers for individualization. They made collages and Dioramas, had a field trip and participated in self-awareness activities. In a study of conservation, they cleaned up the school grounds and made posters for a conservation contest.

In 2nd grade we had a number of special activities during the year. In November, the 2nd grade had a play for the community which was called "The Pilgrims and the Indians."

We had a breakfast unit in December and January and after studying good eating habits, we had scrambled eggs, cereal, juice, and milk at school.

We studied the 4 basic food groups and as a concluding activity, we baked bread and churned butter. Hot bread and butter made for a delicious ending to the food unit. We took a field trip to Bruckner Nature Center in Troy to learn about the world of nature hiding in the woods and grasses around us.

1980-81 was a great year for the High School Choir. With 56 members who worked very hard all year, the Choir showed great improvement in the maturity of choral production.

One of the highlights of the year was getting new choir robes and accepting over \$1,100.00 in donations to help pay for the new robes. The Choir also sang on new risers.

The Choir performed 11 times this year, five of these performances in area churches. Outstanding moments were the Christmas Music Festival and the Afternoon With The Arts when the Choir received a standing ovation.

An addition to Choir this year was the Senior Ensemble which performed several times during the school year.

The highlight of the season was our win over Botkins who was second in the league. Several other games were close and exciting and the team worked harder to win. The girls' basketball team finished the year with a 10-12 record. The girls played very well during the 2nd half of the season after a slow start. The team was very young with no seniors on the squad and greatly improved over the course of the year. The girls played well in the Sectional Tournament, beating Ft. Loramie 44-42 and losing a hard fought game to Lehman, 52-48 in the Sectional finals. Gail Meyer was named to the 2nd team All-Shelby County Athletic League, while Julie Vetter received honorable mention. With all players returning for next year's team, and with some hard work during the summer, the squad should improve next year.

All 9 members of this year's team worked very hard this season and that hard work turned into several fine accomplishments for both the varsity and reserve teams. In a "rebuilding" year, with a very young group of golfers, the team had a 10-6 regular season record, was 24-14 overall, placed 2nd in the County tournament, and tied for 2nd in the Shelby County league. As a group and as individuals, the team reached almost all of the "goals" we established at the beginning of the season.

The 1980 Golf teams kept on improving and played their best golf at the end of the year. If next year's returning golfers are willing to put in the time and effort this coming summer, the team can greatly improve this next season.

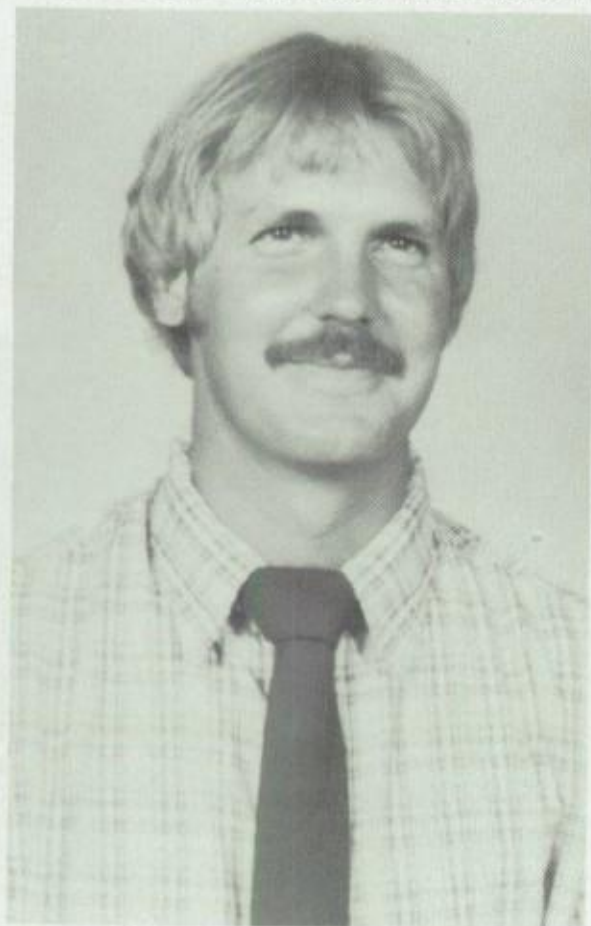

The reserve golf team had a good season finishing 4-5 on the year and gaining a lot of valuable experience that will help them in the future.

Dana Ware was selected the Most Valuable Golfer and Rick Sailor earned the Most Improved Golfer award with 7.98 strokes below his 1979 average.

J.C.H.S. CROSS COUNTRY

VARSITY TEAM: Coach Roby, Kerry Gorsuch, Deron Sosby, Brad Wren, Rick Sailor, Mark Doseck, Kent Cagle, Nick Opperman.

Coach Roby

The high school Cross Country team had a 15-10 win-loss record this year. It tied for 3rd place in the county and placed 5th in the district. Nick Opperman was the top runner and Rick Sailor was the 2nd top runner.

Dale Opperman and Tony Meyer were the outstanding runners for the junior high which had a 3-6 win-loss record.

JR. HIGH: Dale Opperman, Tony Meyer, Jerry Davis, Mike Morris, David Helman, Tim McElfresh

GIRLS' VARSITY TRACK TEAM

Left to Right: Deb Meyer, Pam Linker, Stacy Richardson, Shawn Morris, Jennifer Vetter. Not Pictured: Julie Vetter.

GIRLS' TRACK COACHES Jane Larger and Lisa Hogenkamp

The 1980-81 girls' varsity track team consisted of six girls, all of whom lettered. Stacy Richardson received the four-year participation trophy and Jennifer Vetter received the MVP trophy.

Two school records were broken this year. Pam Linker set a new mark in the mile and Jennifer Vetter broke the previous record held in the low hurdles.

The team placed 6th in the county and was 2-2 in dual meets.

BOYS' VARSITY TRACK TEAM

VARSITY TEAM MEMBERS: John Schaub, Kerry Gorsuch, Mike Metz, Mark Doseck, Kent Cagle, John Homan, Floyd Stevens, Rick Sailor.

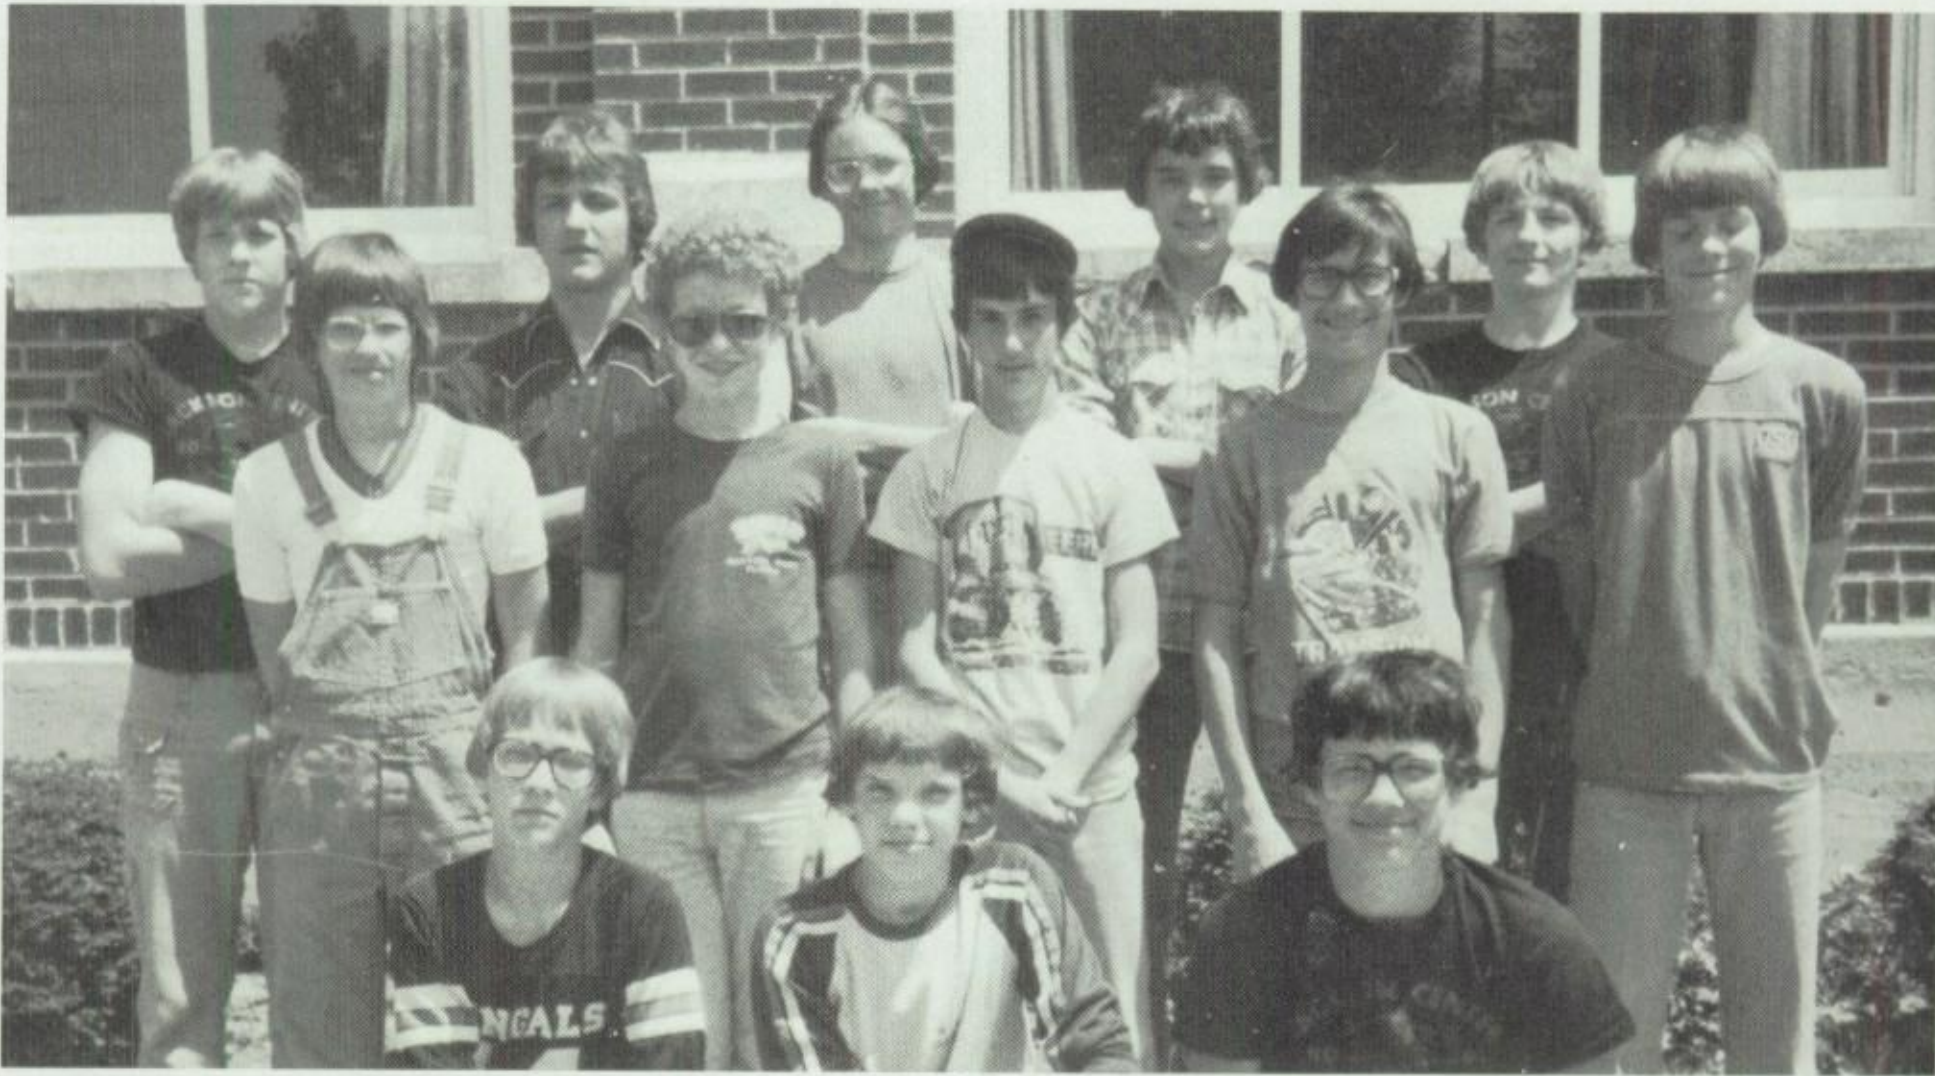

BOYS' VARSITY AND JUNIOR HIGH TRACK COACHES: Don Thogmartin and Jim Roby

The Varsity Boys' Track Team ended the season with a 11-10 record. This win-loss ratio is somewhat deceiving in that 3 of the losses were very close. Kent Cagle was selected as the MVP — leading the team in total points and participating in the mile, 2 mile, mile relay and the 330 low hurdles.

Kerry Gorsuch, Rick Sailor, John Homan and John Schaub were also among JC's leading point men.

Amos Press...
much more than just a great newspaper!

The year 1876 marked the beginning of the Sidney Printing & Publishing Co., now Amos Press, in its second century of change and growth.

Perhaps best known as publisher of *The Sidney Daily News*, today Amos Press means full-service printing as well as publishing.

The *Graphic Arts Division* does a vast amount of commercial work. Printing and mailing projects for subscription marketers and other direct mailers (many projects running into the millions of pieces) are a specialty. Other products include preprints

The weekly newspapers *Coin World* and *Linn's Stamp News* serve a combined 200,000 coin and stamp hobbyists worldwide with the latest news and price trends. *Cars & Parts* is a monthly magazine read by over 120,000 vintage car collectors who buy, sell and restore antique, classic and special interest vehicles.

The *Industrial Nameplates Division* produces high quality, deep-etched metal nameplates used by machine tool manufacturers. This division also makes Quality Awards, plaques custom designed

CLOSING

PROM — 1981

"Prom 1981" was held in the high school gym. It was the first prom held in the gym since 1975.

The theme for the prom was "Moonlight and Roses." The song chosen for the evening was "All Out of Love." Decorations were colors of midnight blue, silver, burgandy and white.

The Spot catered the dinner. "After Prom" was held at the Elder Theater where we viewed the film "My Bloody Valentine." Following the movie, the Junior Class parents held a breakfast at the Community Club.

King and Queen for the evening were Rhonda Mann and Ron Stewart.

ANNUAL AD SALES TEAM

Our Annual Staff has had a "super" year! After much hard work, long hours and many frustrations, we present to you, the students of Jackson Center High School, your 1981 annual — "We're A Little Bit Country"!

We wish to thank everyone who helped us in the preparation of this book.

"OUR DEDICATION"

MISS BEAM

As our Senior Year draws to a close, we, the graduating class of 1981 wish to take this chance to thank all of those people responsible for giving us our educational opportunities and for being our foundation of support.

There is one above all that we would like to recognize. This person is Miss Marjorie Beam. As we look toward our Commencement Day, a high point in one segment of our life, this time is also a milestone for her. Our first grade year was her first year for teaching at Jackson Center, and this year she will sit among the friends and relatives at graduation and have the satisfaction of knowing that she was responsible for starting our class on to the road of success. Thank you Miss Beam for being you.
